

**Documentation of Direct Learning Assessment
TEMPLATE**

Name
Course
Date & Time

Brief Overview/Context of the Assessment:

Direct Learning Outcome(s):

Related Course Learning Objective(s):

Instructional Strategies:

Assignment Used to Measure Learning:

- **Specific Assignment (include specific wording of assignment as given to students – longer, more involved instructions for assignments/projects may be attached):**

- **Description of how assignment was administered:**

- **Why this particular assignment was chosen:**

Methods/Findings (include information on measurement tool):

Summary & Reflection (discussion of assessment/interpretation of findings):

Any Complementary Indirect Assessment that was included (OPTIONAL):

Implications for Future Practice:

Literature citations:

OPTIONAL ATTACHMENTS

- **Assignment**
- **Rubric Used**
- **Data from assessment**
