(CANCEL Jan. 26, Feb. 16, Mar. 16 & Apr 20).

All meetings are from 1:00 – 2:00 p.m.

April 24 – Zuhl Conference Room (#225)

May is Retreat - May 13 (all day)

3. NMSU Assessment Conference on Friday - please register
4. AST session is on Peer Review Network

Discussed the presentation. Presentation will include what the PRN is; the goals of the PRN; and how many people have participated (16). Pose the question to those in the session “What would you want to reflect on?”

S. Stochaj, if available, will participate in the presentation given by S. Rich, T. Cole-Dorn and M. Gurrola to share experiences with the PRN.

PRN next cycle - Possibility of doing another cycle in the Fall. Question about whether a new prompt would be necessary for the next cycle. Also discussion about making a more accessible prompt during the Summer. "How did you use your teaching evaluations to reflect on your teaching and make changes?" Breaking the assignment down into smaller submissions may make the prompt easier to complete.

Other business: Discussion about May Retreat and ideas for next semester, including social events with speaker.

AST presentation at NMHEAR conference was successful, with about 15 attendees.
