

Office of Assessment
Putting the Pieces Together

Committee for the Assessment of Student Learning – Baccalaureate Experience

Record of Meeting
March 18, 2015
11:00 a.m. to 12:00 p.m.

Present: J. Bosland, M. Dawood, L. Grant, M. Mahaffy, S. Stovall, B. Stringam

1. Approval of the Minutes - Approved
2. Assessment Conference Reports
 - a. NM-HEAR - About 15 attendees at the NMHEAR presentation. There was interest in how we were using the rubric and the fact that it wasn't required.
 - b. NMSU Conference on Assessment - Shorter session and about 7 attendees. The rubric was new to attendees. Information literacy was a point of interest. Discussed the possibility of having the BE rubric available on Canvas for all users.
3. Survey Progress and Next Steps
 - a. Ethnicity would be of interest because of the University's Hispanic Serving Institution status. The number of respondents will make it difficult to present certain sub-categories of the data individually.
 - b. Interested in entrance population (freshman / sophomore), major, college (information provided directly to the respective college, A&S will be broken up by major), GPA (3.0 and above and below a 3.0), gender. All demographics except number of years. Comments will be categorized and any identifying features will be redacted.
 - c. The results serve as a baseline. Drawing for the gift card to be done.
 - d. Deadline: April 15 for survey results from Office of Institutional Analysis.
4. Mardi will poll committee members about the best time for the April meeting

Next Meeting: Possible change in time.
