

Committee for the Assessment of Student Learning - Baccalaureate Experience
CASL-BE
Record of Meeting
August 26, 2015
Zuhl Library, Conference Room 225

M. Dawood, L. Grant, B. Green, M. Waltermire, D. Smith, B. Stringham, C. Smith

Action items: Communicate results of BE survey results to stakeholders

D. Smith to ask J. Bosland about timeline for survey results related to demographic breakdown

M. Waltermire to send the BE rubric to C. Smith for reformatting in a more visually appealing graphic

1. Introduction of new and returning members
2. Approved record of meeting of previous (from when?)
3. Outcomes of May 13, 2015 Assessment Retreat - Details
4. Survey - Juniors who have been here one semester
 - a. In-depth review of survey results - explanation of genesis of questions
 - b. Plan for infographic (including url-linked QR code) - possibly send it out on Hotline with infographic. Infographic should include most surprising results of survey. Understanding the disconnect will be helpful in sharing information with audience. Suggestion to give similar survey to the faculty. Disseminate the information to administration which may lead to action.
 - c. Other ways to disseminate results - possible link to BE outcomes on Canvas, Teaching Academy event, faculty meetings, department head meetings, college wide faculty and staff meeting,
5. Refinements to next survey - Where do we go from here? - Disseminate information, objectives out while analyzing the survey. Only to specific departments by request. First, disseminate objectives.
